Subject: RE: Early Guidance for Oil and Natural Gas NSPS Technical Reconsideration (Tier 2, SAN 5719.8)

This invitation went to me and Cathy Stepp. It is regarding the technical portion of the NSPS OOOOa reconsideration. EPA issued the proposed rulemaking last year, and the workgroup has been responding to comments.

Ed, I assume that Cathy will delegate this to you as she has done previously for actions related to the NSPS OOOOa reconsideration, but please confirm.

Thanks,

Natalie
